Numbers of Competition Participants

Competition groups are composed of so-called Competition Participants, who hold various roles defined in the ČACH Competition Rules, Section B, paragraph 1.1.

Competition groups are divided according to the gender of the competitors as follows:

- **AG = All Girl / All Female** (all athletes in the competition group are female)
- **CE = Coed** (the competition group includes at least 1 male and at least 1 female)
- **unspecified** (the representation of individual genders is neither specified nor restricted)

For each competition performance, a maximum of one (1) Competition Participant in the role of **Mascot** may be present (see the definition and rules for Mascots in the ČACH CR).

Competition groups further follow these **limits** for the respective Competition Participants, according to the relevant competition division (numbers for the Special divisions not listed here are specified in the Team Pom Show rules and in the individual Competition sheets):
